Community Oral Health Officer (Machakos Branch)

Description

Bristol Park Hospital is a licensed healthcare provider that has been in the business for over 15 years offering quality and affordable healthcare services in Nairobi, Kitengela, and Machakos. Our vision is to be a world-class provider of quality, innovative, and accessible Healthcare Solutions. Our institution is seeking to recruit a highly talented and dynamic professional to fill the position of Community Oral Health Officer based in Machakos Branch.

The incumbent will ensure all dental services are performed according to established procedures, manage client appointments as scheduled, and maintain high standards of hygiene and professionalism in the dental unit, in line with Standard Operating Procedures.

Responsibilities

Key Responsibilities

- . Educating clients on oral health.
- . Examining, diagnosing, and performing extractions of defective teeth.
- . Performing minor fillings for affected teeth.
- . Treating root canals to prevent further infection.
- . Replacing teeth after extraction, when necessary.
- . Sterilizing dental equipment before and after use.

Qualifications

Key Qualifications, Experience, Skills, and Competencies

- . Degree or Diploma in Oral Community Health
- . Over 2 years' progressive experience in healthcare institution
- . Valid Practice license
- . Mature person and a team player.

Interested and qualified candidates are requested to forward their updated CV and academic qualifications to humanresource@bristolpark.or.ke stating the subject heading **COMMUNITY ORAL HEALTH OFFICER** on or before 28th September 2025.

Only shortlisted candidates will be contacted.
